

We Are Re-Opening This Tuesday 6/2/2020!

Dear Friends of Chameleon,

We are excited to announce we are Re-Opening Tuesday June 2nd!

We are currently accepting appointments:

[Request and Appointment Here](#) Or Call Us at 203-234-7900

We are in our Phase 1 Re-Opening Plan. There are some changes for this first phase to our services and your experience at Chameleon.

First and Foremost ***Our Priority is The Safety, Sanitation and Wellness*** of our clients and the Chameleon team.

Here are a few the changes for Phase 1:

We have implemented all the new State of CT and Health Department COVID-19 protocols.

We have passed our Health Department Inspection, which included a detailed review of our COVID-19 protocols.

All Chameleon Staff will wear Personal Protective Equipment during your services. They will have a health screening at the beginning of their workday.

We have separated our stations, color bar chairs and shampoo area to keep 6 foot distances between them.

Hand Sanitizers have been installed throughout the salon.

All of our tools, chairs and stations will be disinfected between each client. This will allow for you to have a safe experience at Chameleon.

The entire salon will be disinfected throughout the day and overnight.

We have trained our entire team and practiced the new safety and sanitation protocols.

Clients are required to wear a mask to enter the salon for services. ***At this time we are not allowed to provide services without both clients and stylists wearing masks.***

All clients will be required to sign a waiver prior to services (no exceptions)

[See and Sign Service Waiver Here](#)

We've had to change some of our Services to comply with the mandates for re-opening.

- When you arrive please check in to let us know that You Are Here by Texting us at 475-889-7938 or call us 203-234-7900. We are not allowed to have clients in our waiting room, so please wait in your car until your stylist can see you.
- We will Text/Call you when you can come inside, where you will be greeted by your stylist.
- When entering the salon your temperature will be taken with a non contact Thermometer.
- Blowdries are not being performed at this time. We will offer these in Phase 2 of our re-opening plan... most likely in July.
- Shampoos are only offered to wash out Hair Color. If you're getting a Haircut please come with Clean, **Dry Hair** and we'll take it from there! Please do not put your hair in a pony tail ... just let your hair fall naturally.

Our guest care team will be in the salon answering calls this week and scheduling appointments.

I will continue to do Curbside color and retail pickup throughout this time. This Saturday 5/30/20 will be the next curbside pickup day from 12pm-4pm

Your patience through all of this is greatly appreciated!

Stay well my friends,
Carleen
